## Regional Transit Connection (RTC) card

The RTC card provides discount fares for people with qualifying disabilities on **fixed route only**, such as the train, ferry or bus in the San Francisco Bay Area. **This discount card is not for paratransit services.** If approved for ADA-paratransit, you will be eligible for the RTC card. The RTC card is for eligible riders under 65 years old, unless your disability requires an attendant, which allows riders to stay in RTC past 65.

You may complete this Optional form with your application for ADA-paratransit services or you can choose to apply for the RTC card at a later date through the RTC Basic Eligibility Application available at <https://511.org/transit/rtc-card>. The RTC card also requires a photo of the rider to print on the card. RTC staff will reach out to you requesting a photo if one is not submitted with the application form.
