

Wearing a mask (correctly) is required.

The Centers for Disease Control and Prevention (CDC) issued an Order on January 29, 2021 requiring the wearing of masks by travelers to prevent spread of the virus that causes COVID-19.

Wear a mask.

Cover your mouth, nose and chin.

Masks with valves are not allowed.

Use face shields properly.

The CDC Order exempts people with disabilities who cannot wear a mask, or cannot safely wear a mask, because of their disability. Advanced approval needed before travel. Please contact (510) 287-5000 for information.
